

# Feedback from 2<sup>nd</sup> YSS

“Future of Bioanalysis... A Bridge between Industry and Academia”

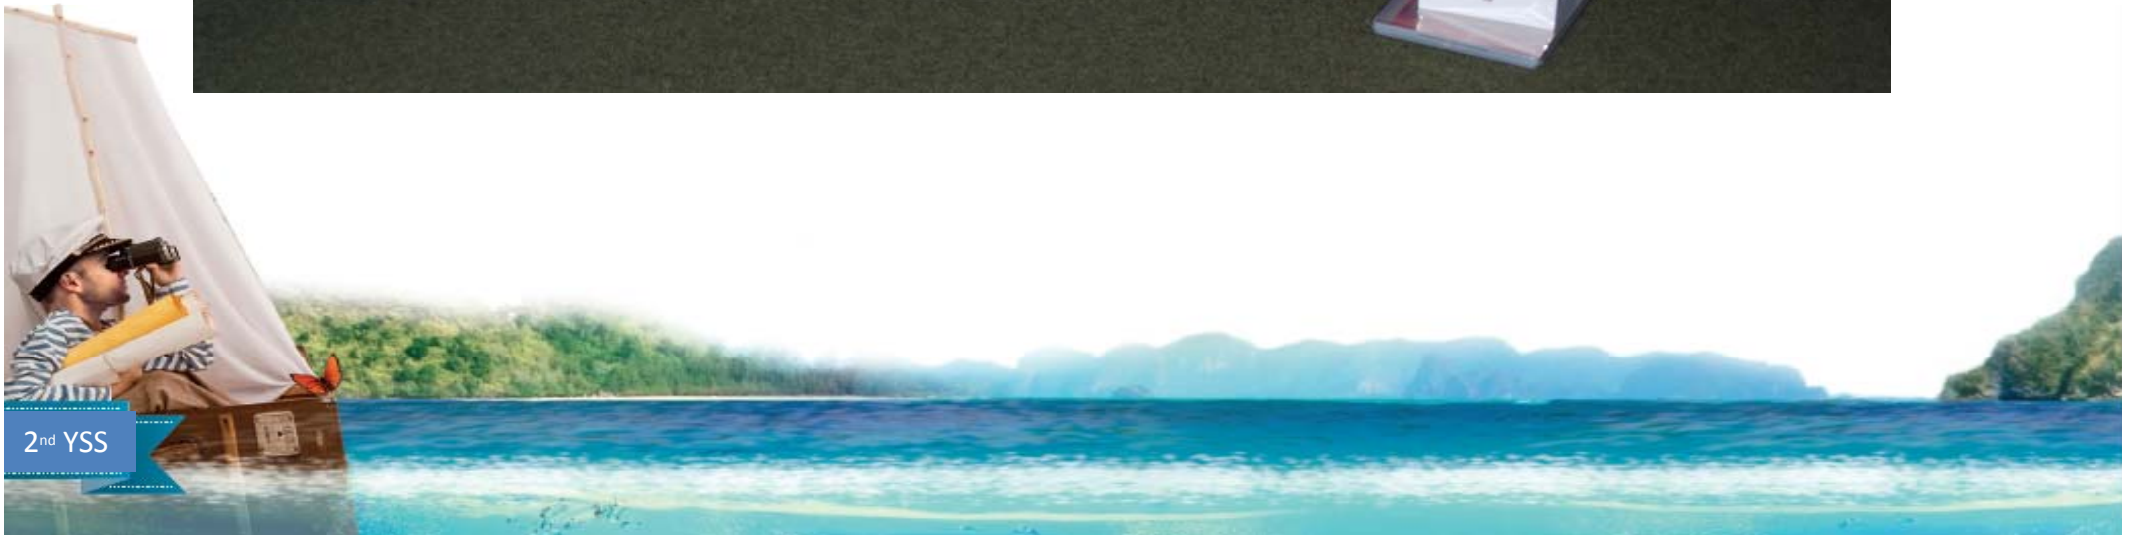

# Organizing Committee

- Jonathan Paraskos  
(AstraZeneca),
- Sheelan Ahmad  
(GlaxoSmithKline),
- Sufyan Maqbool  
(Medimmune),
- Aline Swinnen  
(Janssen R&D),
- James Price,  
(Formerly LGC)
- Richard Abbott  
(Bayer Pharma AG)

# Thank you Richard!

# 2<sup>nd</sup> YSS

## “Future of Bioanalysis... A Bridge between Industry and Academia”

- Focus on Method Development: Practical Scientific Aspects
- Supported by the International Association of Therapeutic Drug Monitoring and Clinical Toxicology (IATDMCT).
- Interesting presentations and interactive session.
- Good opportunity to connect with other young scientists and academia!

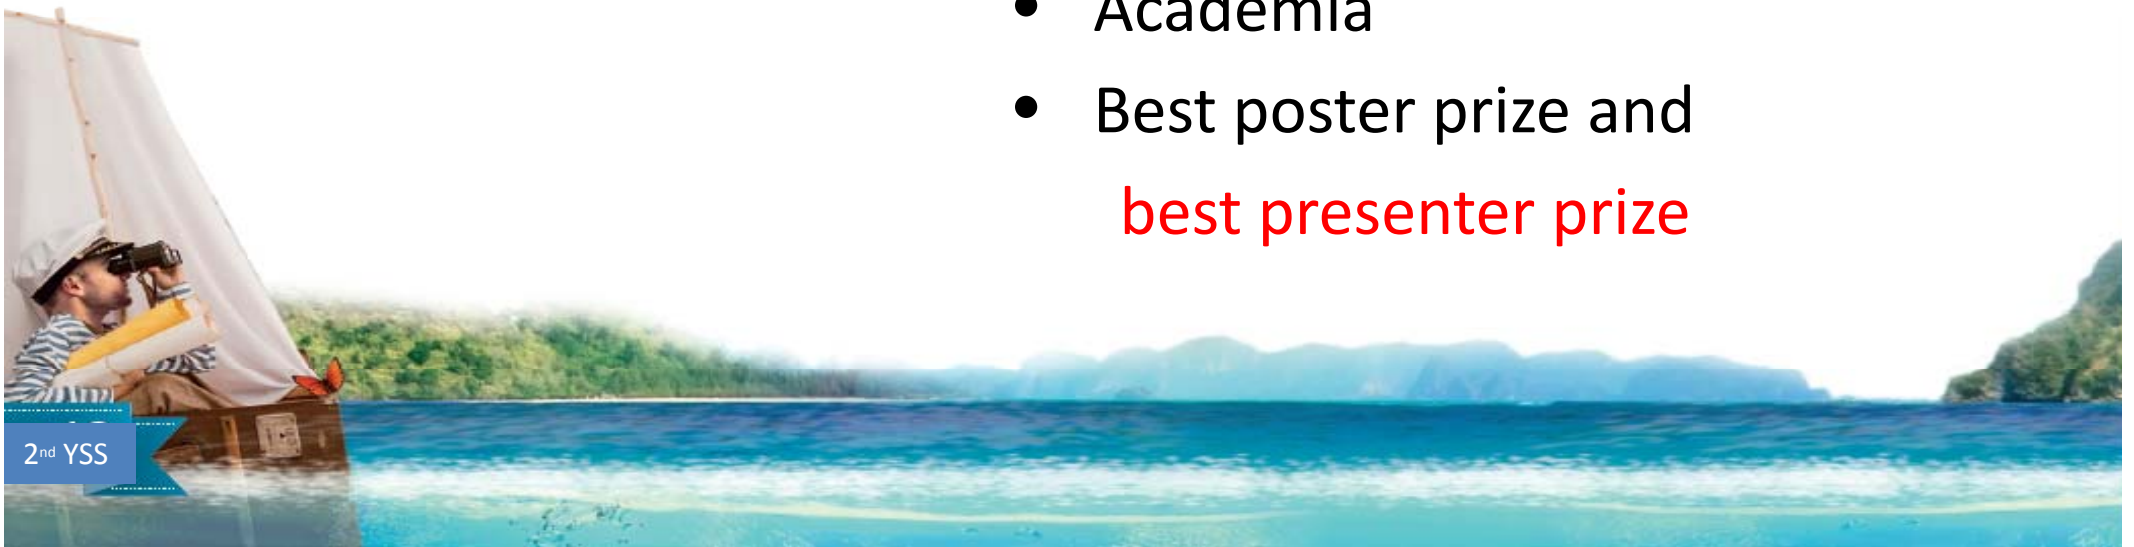

# Facts and Figures

## 1<sup>st</sup> YSS 2014

- Unleashing the Future
- 27 attendees
- 10 presenters
- 7 posters
- Best poster prize

## 2<sup>nd</sup> YSS 2015

- Future of Bioanalysis... A Bridge between Industry and Academia
- 51 attendees
- 22 presenters
- 10 posters
- Academia
- Best poster prize and  
**best presenter prize**

# Best Presenter

James Howard (LGC)

Little to LARGE: LC-MS/MS Peptide Method Development for Small Molecule Specialists
